**GIVING TO ST JOHN'S** - many thanks to everyone who has continued to give so generously to St John's. With fewer people in church and the Government discouraging the use of cash, along with the closure of bank branches in Sheffield, receiving cash has become more difficult.

We have got a variety of ways set up that you can give to St Johns. We have now set up a **donation** page on our website. [www.stjohnsranmoor.org.uk](http://www.stjohnsranmoor.org.uk)

You can give one off payments or set up regular payments via the secure portal on the website. We have also got QR Codes and a fixed Text to give number that you can donate on. We hope that we have made giving to St John's much easier.

**EARTH HOUR 2021: SATURDAY 27TH MARCH 8.30PM** - Earth Hour is one of the

world's largest movements for our planet. Millions of people around the world switch off their lights to show they care about the future of our planet – our shared home. Joining Earth Hour's switch off reminds us that even small actions can make a big difference. When we make changes in our own lives, and when we share that with others, we also inspire the people around us to change – and we help grow

a movement that businesses and governments can't ignore. 2021 is the start of an important decade for climate and nature action. This year, leaders from across the world will make decisions that will impact our futures. By 2030, nature and wildlife could be recovering all around us. We could have green jobs, cleaner air and a healthier future for the next generation. Everyone has a part to play in making that happen. And it all starts with a single switch.

**CONTACTING THE OFFICE** - Government Guidelines are in place asking for people to work at home, Claire will be working from home and can be contacted on the office number 0114 230 1199 which redirects to Claire's mobile.
