This week's blog introduces our exhibition
'Unseen'.

'Unseen' is an odd title for an art exhibition. Art is something we see, something we look at. But there is more to it. Beyond – through - seeing there is thinking and feeling. Through art we empathise with the experience of others.

Art makes what is unseen seen.

The exhibition turns the focus from the wealthy residents of Ranmoor, who monopolise the history books and archives, to the unseen people who made Ranmoor possible.

Visit the website to find out more.
